### Important Note about the digital Media

The digital media should not be viewed in isolation, but considered in the context of the course as a whole, with reference to course materials provided. In particular, any digital recording should not be treated as being indicative behaviour for any activities as they may be specific to the circumstances set out in the course. The digital media should not be used as template for use outside the training course. Each worksite will have its own requirements which will need to be considered on a case by case basis.

Please return completed form to the course trainer to be retained on file.
